#WHYTACC – MEMBERS 1ST! TCACC MEMBERS, THANK YOU SO MUCH FOR YOUR SUPPORT!

By Eileen Dautrich, TCACC President

Please do not hesitate to email eileen@tricountyareachamber.com or call me at 610.326.2900 if you have any questions.

The Chamber has started its 2022-2023 program year. I have emailed you to ask for your replies to a couple of questions regarding what you would like to see from your Chamber Membership. If you did not reply and want me to resend the email/questions, please let me know and I will be happy to do so. Thank you to those that I have heard from so far!

Also, we surveyed some Members at a recent event and determined that our Members were interested in **small group relationship-building opportunities and business-oriented presentations that provide education on business strategies and methods.**

Special Invitation based on your Membership renewal month – watch your email for your invitation!

NEW Opportunities for Building Relationships:

Chamber Office Coffee Corner - Once a month the Chamber office is open for you to stop in, have a cup of coffee, meet other members, build relationships, and learn from each other. Limited to 10 participants per month and one Member per business category. Also, take advantage of an opportunity to sponsor and have your business marketed with the notices that are sent to the Membership and we will assist with special invitations to other Chamber Member industries that you would like to get to know better. Contact me if you are interested in hearing more/participating.

REACH Power Hour - Join this group committed to this monthly meeting and assisting each other in growing their companies!

Roundtable Opportunities - CEO, Industry Specific, and more groups to be formed. Let me know if you would like to participate in a roundtable group and with whom and I will focus on starting the one that most Members have an interest in.

Young Professionals RESTART - We are looking for volunteers to join our Young Professionals Committee to help us finalize our plans to restart the program this fall. Let us know you want to be added to a YP email distribution list to be informed of upcoming programming.

And that survey result that stated our Members would like business-oriented presentations that provide education on business strategies and methods....

Join us on October 18th for our 9 in 5 Membership Breakfast.

For the October Membership Breakfast/Chamber's Annual Meeting, we will be assigning seats to help our attendees build new relationships and begin our offering of a year of small group opportunities.

We know our Members all have successes that we can all learn from and that Members should be proud to share their story. So, every attendee will serve in a "keynote" speaker role. We will present four topics/issues that all businesses have and/or are dealing with. Each table will spend 10 minutes having a roundtable conversation on each topic – helping each other and learning from each other – strengthening the bonds within your Chamber community. So, bring your experience, ideas, and your needs to the table!
